

WOMEN BUILD

2025

Ambassador Sponsorship

Lafayette Habitat for Humanity is committed to making sustainable homes a reality for low-income families. One out of every three households in Lafayette is paying more than a third of their monthly income on housing, making it hard to achieve financial stability. We are working to change that through affordable homeownership. When a family can achieve stable, affordable housing, they can then focus on securing other essentials for their family — like adequate healthcare, nutrition, transportation, and childcare. And when you empower families, entire communities thrive.

Women Build is a Lafayette Habitat for Humanity initiative that brings women together to take a proactive step in serving their communities by raising funds and building homes. With opportunities to work alongside other volunteers and future homeowners, Women Build creates opportunities to further develop leadership skills and strengthen relationships. No experience is necessary, and all volunteers will receive on-site training from Lafayette Habitat's construction team.

Every donation builds a foundation for a stronger future!

Together we will raise money to build new homes that will empower families for generations to come!

Sponsoring Women Build supports Habitat's home-building efforts and the life-changing effects of homeownership.

We are excited to kick off this year's Women Build - an annual event that engages, mobilizes, trains, and empowers women (and does not exclude men!) to make a tangible impact in our community by addressing local affordable housing challenges. Women Build will kick off in **February 2025** and **YOU** can help us build two homes from the ground up!

You can get involved by becoming a Corporate Sponsor or an Ambassador. Corporate sponsorships are a great opportunity for businesses to help support affordable housing while also offering employees team-building opportunities on our construction site.

Ambassadors are individuals that recruit a team of 10 and together raise \$1000 and participate in a construction shift at our Women Build houses.

Become a Women Build Ambassador!

Join Lafayette Habitat for Humanity for 2025 Women Build by recruiting and leading a team of volunteers to raise money and build a home for a local family.

As a Women Build Ambassador you will:

1. Recruit a team of 10 participants to help raise \$1000. It's as easy as each member donating \$100.
2. Create a fun team name, complete the registration packet, and submit all donations by January 31, 2025.
3. Schedule your team build day. Shifts will be scheduled throughout the months of February - May 2025.

For all scheduling and payment info, please contact Sarah Barbato at
(337)-456-4671 or sarahb@habitatlafayette.org

What is “Women Build”?

Women Build brings women together from all walks of life to address the housing crisis hands-on. We work together to fund and build a Habitat home for a Lafayette family. Both women and men volunteer to raise the funds and the walls for the entire Women Build project. This is an amazing opportunity for volunteers to recruit friends, family and coworkers to give back to our community through on site building efforts as well as financial contributions.

How does it work?

Companies, Businesses and Organizations will review the 2025 Women Build Corporate Sponsorship packet and choose one of our levels of sponsorship to contribute. The corporate sponsor will then complete and submit the Corporate Sponsorship Application to Sarah Barbato, via email, at: sarahb@habitatlafayette.org.

Once the form is received, the sponsor is contacted by a member of the Lafayette Habitat for Humanity staff to schedule their volunteer shift(s) or day(s). Corporate Sponsor logos will be featured on the 2025 Women Build shirt.

Women Build Volunteer Ambassadors are charged with recruiting a team of 10 participants and inviting them to donate a minimum of \$100 per person to achieve an overall goal of \$1000 per team. The team will then complete and submit the Ambassador Sponsorship packet to Sarah Barbato, via email, at: sarahb@habitatlafayette.org.

Once the form is received, the sponsor is contacted by a member of the Lafayette Habitat for Humanity staff to schedule their volunteer shift(s) or day(s).
