A Habitat for Humanity®

Who are we?

Lafayette Habitat for Humanity builds safe and affordable homes throughout Lafayette in partnership with families who need a decent place to live. Our future homebuyers take financial literacy classes, home maintenance classes as well as volunteer to build their future homes. Once the home is complete, homebuyers pay an affordable mortgage, and the payments go back into our home building program to help more families.

The labor of volunteers and partner families, efficient building methods, modest house sizes, and 0% interest loans make it affordable for low-income families to realize their dream of homeownership.

Our Vision

A WORLD WHERE EVERYONE HAS A DECENT PLACE TO LIVE.

That's our vision. That's where it starts. We believe that everyone, no matter who they are or where they come from, should have a decent place to live; a place of their own where they feel safe, where they can afford nutritious food and decent healthcare and ultimately where they can build fulfilling, successful lives.

Our Mission

Seeking to put GOD'S LOVE into ACTION, we bring PEOPLE TOGETHER TO BUILD HOMES, COMMUNITIES, and HOPE

About Women Build

Strong Women Build Strong Communities

Women Build is an annual fundraising initiative that engages, mobilizes, and empowers women (men too!) to make a tangible impact in our community.

This combo fundraising and volunteer program brings corporate teams, civic groups, and social clubs (book clubs, supper clubs, sororities, etc) together to address the housing crisis hands-on. Women (and men) contribute financially and physically towards building a home for a family in Lafayette.

Sponsorships for this event are crucial in helping to offset the costs of building a safe, durable home for families to live and use for generations to come. Your support makes the vision of homeownership possible.

Sponsor Feedback

"It [Women Build] was such a great experience. My girls absolutely loved it. All about teamwork and getting departments to mesh with others."
-Shannon

How does it work?

Companies, organizations, and social clubs put together a team (up to 10 people) for Women Build. Each team commits to a sponsorship level (\$1,000-\$15,000).

Select a group leader for your team. We'll coordinate with the group leader to choose a specific date and shift for the team to volunteer on the construction site.

Each team raises funds individually or as a group before construction begins.

Teams are invited to Hard Hats & High Heels Kick-off event to network and meet other leaders who are impacting the community.

Benefits For Sponsors

Sponsoring Women Build is a meaningful way to support safe, affordable housing in our community while gaining valuable exposure for your business.

As a sponsor, you'll connect with community-minded individuals and local leaders, showcase your commitment to social impact, and receive recognition before, during, and after the event. Your sponsorship directly helps Lafayette Habitat for Humanity build homes, communities, and hope.

Increased Brand Exposure

Showcase your company or organization through logo placement on our t-shirt, at the construction site, and on social media.

Positive Brand Association

Align your brand with community impact and goodwill, creating a strong, positive association in the minds of participants and the broader public.

Networking Opportunities

Valuable networking opportunities with local business leaders, community members, and fellow sponsors at our Kick-off party.

Employee Engagement

Boost morale and engagement through a unique opportunity to learn new construction skills while connecting outside of the traditional work space.

Tax-Deductible with Donation Receipt

Your sponsorship is tax-deductible, providing financial benefits while supporting a meaningful cause. Partnering with a recognized 501(c)(3) demonstrates your company's commitment to social responsibility, which can strengthen your brand's reputation and appeal to values-driven consumers.

Participant Feedback

"This was a top tier event! I think you nailed creating a sense of community amongst participants and built excitement for the build days. I was not expecting an event with such thoughtful entertainment and engagement opportunities. I thought I'd stop in for 15 minutes on my way home (in reality I stayed at least an hour). I had a BLAST and can't thank you enough for hosting such a fun event!"

Beyond the event

Making an ongoing commitment to the housing crisis in Acadiana

At Lafayette Habitat for Humanity, our mission to provide safe, affordable housing is powered by people who believe in building a stronger community. There are multiple ways to support the mission of Lafayette Habitat for Humanity beyond Women Build.

Builder's Circle

All are invited to join the Builder's Circle. Your \$25 monthly donation offers steady, reliable funding that transforms the lives of local families. By joining, you support the basic human right to a decent home — and make a direct, lasting impact on a family in Acadiana.

To begin your \$25 monthly pledge please visit our website and select the "Donate" button to enter your information. Your donation of \$25 a month is a small act of generosity that ripples out, creating a stronger community for all of us.

Playhouse Build - COMING SOON

Playhouse Builds are a future team building opportunity with a competitive edge! Teams of 10 volunteers spend a day assembling and decorating a durable, functional child's playhouse for one of our future homeowner families. Volunteers may bring decals, stencils and special items to create a special design. Please let us know if your organization would be interested in this opportunity. Sponsorship for each house is \$2,000.

Team Build

To build the number of homes we have planned in the next year, we are inviting corporate groups to step up their involvement with a financial contribution. In our Team Build program which goes throughout the year (after Women Build), groups pledge both volunteer and financial resources, meeting our two greatest needs. The funds from groups help us maintain the affordability of our new homes for our partner families.

Thank You for Your Support

Thank you for considering a sponsorship for Women Build. Your support helps Lafayette Habitat for Humanity build strength, stability, and self-reliance through homeownership in our community. Whether you're sponsoring, participating, or simply spreading the word, you're making a meaningful difference, and we couldn't do it without you. We look forward to partnering with you and making this event a success together!
