Who are we?

Lafayette Habitat for Humanity builds safe and affordable homes throughout Lafayette in partnership with families in need of a decent place to live. Habitat homebuyers help build their own homes alongside volunteers and pay an affordable mortgage.

Our Habitat for Humanity homes are modestly sized, based on the homeowner family's needs. We use quality, locally available building materials to keep construction and maintenance sustainable and affordable.

The labor of volunteers and partner families, efficient building methods, modest house sizes, and 0% interest loans make it affordable for low-income families to realize their dream of homeownership.

Our Vision

A WORLD WHERE EVERYONE HAS A DECENT PLACE TO LIVE.

That's our vision. That's where it starts. We believe that everyone, no matter who they are or where they come from, should have a decent place to live; a place of their own where they feel safe, where they know their neighbors, where they can afford nutritious food and decent healthcare, where they can save up to send their kids to college, and ultimately where they can build fulfilling, successful lives.

Our Mission

Seeking to put God's love into action, we bring people together to build homes, communities, and hope.
